

UMore Park and Vermillion Highlands Overview

Scan the QR Code for more information

UMore Park - 4,366 acres

- Gravel Mining Area
 - 1,719 acres to be mined over a 60-year lease with Dakota Aggregates
 - Permitted by the City of Rosemount and the City of Empire
 - Land returns to the U following reclamation for agriculture in near term, and future development in mid/long term per 2040 land use plan
- UMore East
 - Multiple uses primarily focused on research and outreach: agriculture, wind turbine, office, storage
 - Areas targeted for sale for private development based upon environmental readiness per 2040 land use plan

Vermillion Highlands – 2,823 acres

- Wildlife Management Area - Jointly managed by U and MN DNR until 2032, when the land will be transferred to the State
- Allows for ongoing U research following land transfer
